

# WEBINAR ON HOW TO PREPARE A PANDEMIC RESPONSE PLAN

## MORE ON THIS WEBINAR

Since news of the Coronavirus outbreak, many government bodies and organisations have released countless advisories on the current Coronavirus named **COVID-19**.

After reading all these information, do you know what steps your organisation should take towards implementing or executing your Pandemic Plan?

We have created a **2-part Webinar Series** to assist in your Pandemic Plan Management & Implementation and **be able to document your Pandemic Response Plan**. The Webinar will **provide and walk you through templates** and Industry Best Practices for handling Pandemic Outbreaks while ensuring Business Continuity.

## FACILITATOR

**Mr. Henry Ee, FBCI, CBCP, ACTA**  
 Founder & Managing Director,  
 BCP Asia  
[www.linkedin.com/in/henryee/](http://www.linkedin.com/in/henryee/)
